      <h2>About Me</h2>
      <p>
        I am a third-year IT engineering student
with a diploma in Computer Engineering.
        I have worked on multiple projects and
gained hands-on experience in software
development,
        AI/ML, web applications, mobile
applications, databases, and software testing.
      </p>
      <p>
        I enjoy exploring new technologies and
building solutions for real-world problems.
        Whether it is coding, designing, or
testing, I like being involved in every stage of
development.
        I am always looking for opportunities to
learn, collaborate, and grow in tech.
      </p>
